March 17, 2021

PRESENT: THE HONORABLE LARRY R. HICKS, UNITED STATES DISTRICT JUDGE

DEPUTY CLERK: NONE APPEARING REPORTER: NONE APPEARING

COUNSEL FOR PLAINTIFF(S): NONE APPEARING

COUNSEL FOR DEFENDANT(S): NONE APPEARING

MINUTE ORDER IN CHAMBERS:

On November 2, 2020, the court granted defendant Warid Telecom International LLC's ("WTI") motion to compel arbitration (see ECF No. 36). On March 16, 2021, WTI filed a status report informing the court that it had no knowledge of plaintiff taking any steps to pursue any claims against WTI or any other party through the initiation of arbitration before the London Court of International Arbitration.

It appearing that there is no purpose in requiring further status reports from counsel until the parties conclude arbitration, or upon the occurrence of any other development, and good cause appearing,

For the convenience of the parties and the court's administrative purposes, this case will now be closed administratively. The closing of this case administratively has no substantive effect on the status of the case. The case remains pending for all substantive purposes. The case will be reopened administratively when any of the parties request reopening or notify the court of the conclusion of the arbitration proceedings. At that time, an updated joint status report shall be filed with the request to reopen.

IT IS SO ORDERED.
